

Savitribai Phule Pune University
T.Y.BCA NEP
T.Y.BCA Practical Examination OCT/NOV
CA-311-MJ-P
User Interface and User Experience (UI-UX) Design

Duration: 3 Hours

Maximum Marks: 35

Q1) A **Create a user persona for a patient using a hospital appointment app. Include goals, frustrations, needs and technology behaviour.** [10 marks]

Q2) B Design a user flow for booking a doctor appointment through a hospital app. Show at least 6 major steps. [20 marks]

OR

Q2) B Create a user journey map for the same appointment-booking scenario, identifying actions, pain points and opportunities. [20 marks]

Q3) Viva [05 marks]

Savitribai Phule Pune University
T.Y.BCA NEP
T.Y.BCA Practical Examination OCT/NOV
CA-311-MJ-P
User Interface and User Experience (UI-UX) Design

Duration: 3 Hours

Maximum Marks: 35

Q1) A **Prepare an empathy map for a customer ordering food through a food-delivery mobile app. Include Says, Thinks, Does and Feels.** [10 marks]

Q2) B Design a low-fidelity wireframe in Figma for a food-delivery home screen with search, categories, restaurant cards and cart access. [20 marks]

OR

Q2) B Design a low-fidelity wireframe for the food-order tracking screen showing order status, delivery information and support. [20 marks]

Q3) Viva [05 marks]

Maximum Marks: 35

T.Y.BCA Practical Examination OCT/NOV
CA-311-MJ-P
User Interface and User Experience (UI-UX) Design

Duration: 3 Hours

Maximum Marks: 35

Q1) A **Create a typography system for a travel-booking mobile application with heading, subheading, body and caption styles.** [10 marks]

Q2) B Design a mobile travel-search screen using appropriate typography, colour, spacing and visual hierarchy. [20 marks]

OR

Q2) B Design a responsive hotel-details page showing photographs, room information, amenities, price, availability and Book action. [20 marks]

Q3) Viva [05 marks]

Savitribai Phule Pune University
T.Y.BCA NEP
T.Y.BCA Practical Examination OCT/NOV
CA-311-MJ-P
User Interface and User Experience (UI-UX) Design

Duration: 3 Hours

Maximum Marks: 35

Q1) A **Design a low-fidelity wireframe for an online movie-ticket booking process with a minimum of four screens.** [10 marks]

Q2) B Convert the wireframe into a clickable high-fidelity Figma prototype for selecting a movie, theatre, seats and payment. [20 marks]

OR

Q2) B Create an interactive prototype for booking movie tickets from movie selection to booking confirmation. [20 marks]

Q3) Viva [05 marks]

Maximum Marks: 35

T.Y.BCA NEP
T.Y.BCA Practical Examination OCT/NOV
CA-311-MJ-P
User Interface and User Experience (UI-UX) Design

Duration: 3 Hours

Maximum Marks: 35

Q1) A **Identify 5 usability problems in a college website or student portal and document them with severity levels.** [10 marks]

Q2) B Redesign one identified usability-problem screen using Figma and explain how the new design improves usability. [20 marks]

OR

Q2) B Create a usability-testing plan for a college student portal including objectives, tasks, participants and success criteria. [20 marks]

Q3) Viva [05 marks]

Savitribai Phule Pune University
T.Y.BCA NEP
T.Y.BCA Practical Examination OCT/NOV
CA-311-MJ-P
User Interface and User Experience (UI-UX) Design

Duration: 3 Hours

Maximum Marks: 35

Q1) A **Design a user journey for a customer from discovering a product on an e-commerce app to receiving the order.** [10 marks]

Q2) B Create a clickable prototype in Figma for product discovery, filtering, product details, cart and checkout. [20 marks]

OR

Q2) B Create a clickable prototype for order tracking, including packed, shipped, out-for-delivery and delivered states. [20 marks]

Q3) Viva [05 marks]

Maximum Marks: 35

T.Y.BCA NEP
T.Y.BCA Practical Examination OCT/NOV
CA-311-MJ-P
User Interface and User Experience (UI-UX) Design

Duration: 3 Hours

Maximum Marks: 35

Q1) A **Create a basic design system containing colours, typography, buttons and form-field styles for an online learning application.** [10 marks]

Q2) B Use your design system to create a consistent e-learning dashboard with at least five reusable UI components. [20 marks]

OR

Q2) B Create a Figma component library containing buttons, cards, navigation, input fields, progress indicators and status components. [20 marks]

Q3) Viva [05 marks]

Savitribai Phule Pune University
T.Y.BCA NEP
T.Y.BCA Practical Examination OCT/NOV
CA-311-MJ-P
User Interface and User Experience (UI-UX) Design

Duration: 3 Hours

Maximum Marks: 35

Q1) A **Design an accessible login screen for an online banking application considering readable typography, colour contrast, labels and error messages.** [10 marks]

Q2) B Create an accessible online-payment form and prototype appropriate validation and error states. [20 marks]

OR

Q2) B Redesign an existing registration form to improve accessibility, consistency, error prevention and ease of completion. [20 marks]

Q3) Viva [05 marks]

Savitribai Phule Pune University
T.Y.BCA NEP
T.Y.BCA Practical Examination OCT/NOV
CA-311-MJ-P
User Interface and User Experience (UI-UX) Design

Duration: 3 Hours

Maximum Marks: 35

- | | | | |
|-----|---|---|------------|
| Q1) | A | Create a card-based UI layout for displaying products in an e-commerce application. Define the hierarchy of information on each card. | [10 marks] |
| Q2) | B | Design an e-commerce product marketplace with cards, search, filters, sorting and clear calls to action. | [20 marks] |

OR

- | | | | |
|-----|------|---|------------|
| Q2) | B | Design a mobile shopping marketplace with appropriate product cards, filters, wishlist and bottom navigation. | [20 marks] |
| Q3) | Viva | | [05 marks] |

Savitribai Phule Pune University
T.Y.BCA NEP
T.Y.BCA Practical Examination OCT/NOV
CA-311-MJ-P
User Interface and User Experience (UI-UX) Design

Duration: 3 Hours

Maximum Marks: 35

Q1) A **Create a storyboard showing a patient's experience before, during and after a hospital consultation.** [10 marks]

Q2) B Translate the storyboard into a three-screen prototype that supports the patient's key journey from appointment to consultation. [20 marks]

OR

Q2) B Design a three-screen solution addressing the major pain points identified in the healthcare storyboard. [20 marks]

Q3) Viva [05 marks]

Savitribai Phule Pune University
T.Y.BCA NEP
T.Y.BCA Practical Examination OCT/NOV
CA-311-MJ-P
User Interface and User Experience (UI-UX) Design

Duration: 3 Hours

Maximum Marks: 35

Q1) A **Perform a heuristic evaluation of an existing website or app using any five relevant usability heuristics and record findings.** [10 marks]

Q2) B Redesign one or more screens based on the heuristic-evaluation findings and create a clickable prototype. [20 marks]

OR

Q2) B Prepare a usability-improvement proposal with redesigned screens and explain at least five design changes. [20 marks]

Q3) Viva [05 marks]

Savitribai Phule Pune University
T.Y.BCA NEP
T.Y.BCA Practical Examination OCT/NOV
CA-311-MJ-P
User Interface and User Experience (UI-UX) Design

Duration: 3 Hours

Maximum Marks: 35

Q1) A **Design an icon and button usage guideline for a mobile grocery application. Ensure icons support, rather than replace, clear labels.** [10 marks]

Q2) B Create a grocery-app dashboard using icons, buttons, cards and status indicators with consistent component behaviour. [20 marks]

OR

Q2) B Create an interactive prototype demonstrating button states, hover/pressed states and navigation behaviour for a grocery app. [20 marks]

Q3) Viva [05 marks]
